DESCRIPTION

ecoPur™ multi-functional bathroom cleaner has been formulated for the daily maintenance of most bathroom areas. It is a 100% biodegradable cleaner, making it environmentally responsible and safe to use on most bathroom surfaces.

ecoPur™ is designed to accomplish three important aspects of any cleaning job. First, the detergents and light descaling agents cut through filmy residue and remove hard water stains, uric acid and other bathroom soils. Second, a special odor counteracting ingredient immediately suppresses your worst malodors.
