

# BIO-D

## Drain Opener, Maintainer | Liquids

### OVERVIEW

Most drain clogs result from the accumulation of food materials on the inside of drain surfaces. Regular use establishes an active bacteria population that continuously works to keep this accumulation from occurring. Adding this product to drains once a week and allowing it to work overnight ensures that drains remain open.

### DESCRIPTION

**TO REMOVE DRAIN BLOCKAGES:** Pour 2 ounces of BIO-D into clogged drain. Its thickened formula will carry this unique product directly to the site of the stoppage. Allow drain to set undisturbed for at least 6 hours, preferably overnight. Flush drain with hot water for several minutes to loosen clog and restore normal drain flow. If flow is not completely restored, repeat treatment.

### APPLICATIONS:

- I DRAIN LINES
- I GREASE AND OIL
- I VEGETABLE FATS
- I SOAP RESIDUE
- I FOOD PARTICLES
- I ORGANIC BULDDUP IN DRAINS

### ADVANTAGES:

- I OPENS DRAINS CLOGGED BY ORGANIC MATERIAL
